

PRINCETON UNIVERSITY **PHYSICS** COMPETITION

November 21, 2015
Jadwin Hall, Princeton University
Princeton, NJ 08544

Princeton University's second annual physics competition aims to provide secondary school students with an academic competition venue. Use your knowledge and intuition of physics to solve challenging and interesting problems created by Princeton's own physics students.

For more details and competition rules, please visit our website at physics.princeton.edu/physcomp
